FDA certified raw materials and FITI test certified products
Antibacterial | Deodorant | UV protection

ATB-UV+ is a special machine that contains silver inside the yarn, so it shows excellent performance even after washing with excellent antibacterial effect, and the cross-sectional structure of a special fiber with small and many holes quickly releases sweat and maintains comfort through quick drying. It also blocks UVA (320~400nm).

ECO Material

No VOCs

Air purification

Antibacterial

UV Protection

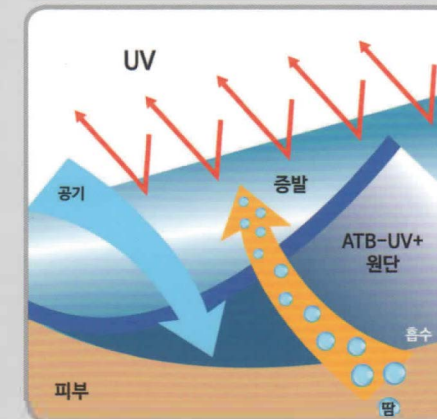

Luxury Interior

With natural health and freshness, High-Quality High-tech Antibacterial Blind

Eco-friendly ATB-UV, whose safety has been confirmed by Kolon, is an eco-friendly product that can be safely used for loved ones as it is a high-functional, high-quality product with 99.9% antibacterial function using silver components and not only for health but also for comfort.

UV Protection

It blocks not only UV-B(290~320nm) but also UV-A (320~400nm) that penetrate deep into the skin.

Excellent Antibacterial

ATB-UV+ exhibits excellent antibacterial effect because it contains a silver component with excellent antibacterial properties.

Unlike post-processed products, the silver component introduced by special technology inside the yarn exhibits excellent antibacterial performance even after washing several times.

You can rest assured that ATB UV+ uses safe silver ingredients approved by the FDA.

ATB UV+ prevents secondary odors by inhibiting the growth of microorganisms.

Moisture discharge and drying

ATB UV+ has a meticulously designed special cross-sectional structure that quickly drains sweat or moisture and dries quickly.

In addition to being comfortable even in the wet and rainy season, ATB UV+ can have a warming effect through rapid drying even in winter.

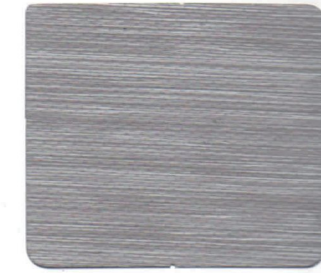

TECHNICAL PROPERTIES

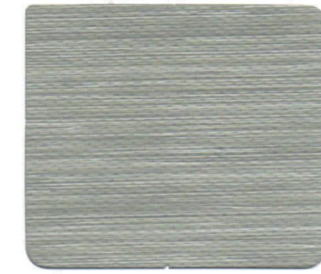

- Composition : Polyester 100%
- Width : 280cm
- Weight : 186.6g/m² ±5%
- Thickness : 0.50mm ±5%
- Elongation : Warp 27.5% / Weft 27.6%
- Tensile Strength : Warp 1500dan / Weft 2600dan
- Packing : 50m / Roll
- Fastness to Light : Above 4 Grade

EMILY Blackout

에밀리 향균암막

This product is equipped with high level of appearance and effective functioning, and the modern sense of simple design gives sophisticated and luxurious feelings.

향균 블라인드는 친환경소재 블라인드입니다

- ECO 친환경 원료사용
- 유해물질흡착 분해, 공기정화
- Zeolite 유해VOCs제거 (포름알데히드 등)
- 향균/항곰팡이 기능
- 자외선차단 효과
- 품격있는 인테리어효과

LUXY Blackout

루시 향균암막

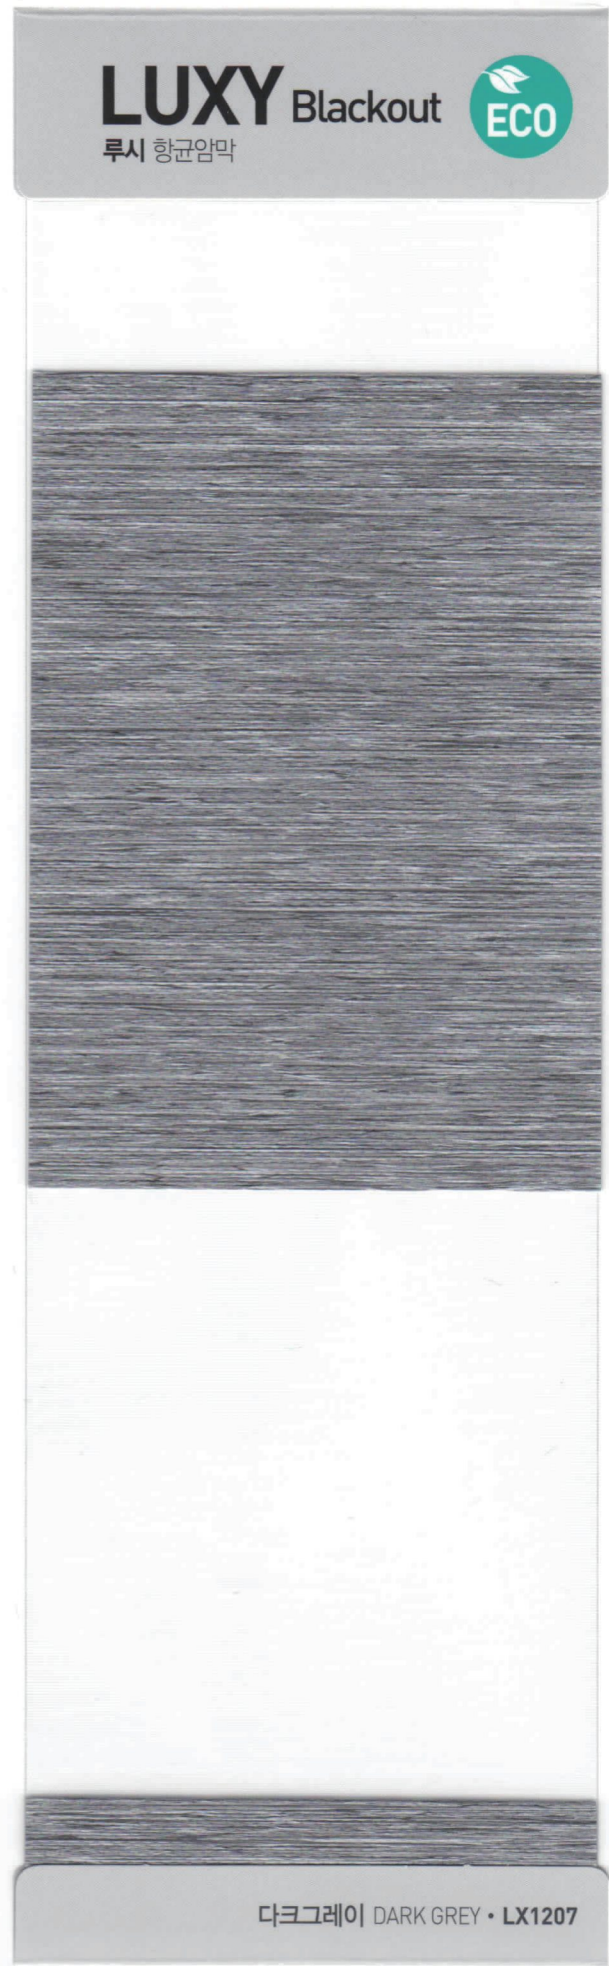

This product is equipped with high level of appearance and effective functioning, and the modern sense of simple design gives sophisticated and luxurious feelings.

GRACE Blackout

그레이스 항균암막

특허 출원번호 10-2020-0033777

제품특징

단순히 열고 닫을 수 있는 일반형 콤비블라인드의 디자인을 한층 더 발전시킨 제품으로서, 손잡이를 위아래로 당겨 조절하면 양쪽 베일이 앞뒤로 교차되면서, 일반 콤비블라인드보다 더욱 더 다양한 모양의 열림창을 연출하실 수 있습니다.
